VALUABLE INFORMATION

Given to the People by W. H. White & Company.

We want the people of Pensacola and vicinity to know that the most valuable and delicious preparation of cod liver oil known to medicine is Vinol.

Vinol contains all the medicinal elements of cod liver oil, actually taken from fresh cod's livers, but not a drop of oil to retard its work.

For this reason Vinol is recognized throughout the world as the greatest health restorer and strength creator known to medicine, and we do not believe there is a man, woman or child in Pensacola at this season of the year but what Vinol will benefit them.

Vinol creates health and strength for old people, weak, sickly women and children, nursing mothers and after a severe sickness.

Vinol cures hacking coughs, chronic colds, bronchitis and all throat and lung troubles. Unequalled to create an appetite, and to make those who are too thin fat, rosy and healthy.

Try Vinol on our guarantee to return money if it fails. W. H. White & Co., druggists.

PENSACOLA AND THE IOWA

WILL BE THE ATTRACTION AT
PALMETTO BEACH THIS
AFTERNOON.

The strong Pensacola team and the aggregation representing the battleship Iowa, which is claimed to be the fastest team in the fleet, will meet this afternoon on the diamond at Palmetto Beach, and it is expected that the game will be a fast one from start to finish. The locals have now gotten into fairly good playing shape, especially in the infield, which is about the best Pensacola ever had, as Sullivan at third has filled a corner heretofore the weakest spot in the Pensacola infield.

The following players will participate in the game:

Iowa—Stavemeyer, catcher; Horns, pitcher; Terry, first base; Clarke, second base; T. Lyons, third base; Barnes, short stop; McGin, left field; D. Lyons, center field; Garza, right field.

Pensacola—Fitzpatrick, catcher; Maneeley and McGaughey, pitchers; Mitchell, first base; Sanchez, second base; Sullivan, third base; Touart, short stop; Bicker, left field; Brent, center field, Bell, right field.

"Now good digestion waits on appetite, and health on both." If it does not try Burdock Blood Bitters.

CARD OF THANKS.

We wish to take this method of thanking the many friends for their kindnesses and assistance during the time that we were so sorely afflicted by the death of Walter L. Mann, and to assure one and all that these tokens of friendship and love will never be forgotten by us, but will ever be remembered and appreciated.

PROCEEDINGS AGAINST FLORIDA R. R. COMMISSION

COMMISSION IS ENJOINED FROM
ENFORCING RECENT RATE OR-
DER, AND FOUR SEPARATE
SUITS ARE FILED BY THAT
NUMBER OF ROADS.

Four injunction proceedings, filed by this number of railroads, were filed yesterday against the Florida Railroad Commission. The actions were brought in the United States court, and are to enjoin the commission from enforcing order No. 72, which relates to the reduction of rates on the lines bringing the suits.

The papers were filed yesterday afternoon by Blount & Blount, repre-

senting the Louisville and Nashville; Jas. E. Hartridge, representing the Atlantic Coast Line; Geo. P. Raney, representing the Seaboard Air Line, and Duncan U. Fletcher, of the Georgia, Southern and Florida.

It seems that the Florida Railroad Commission recently issued a new order, in which the railroads were instructed to reduce their rates upon certain classes of freights in the state. This order was promulgated to go into effect within a few weeks, and in order to prevent the carrying out of the same the railroads combined and secured temporary injunctions against the commission.

Judge Swayne granted yesterday afternoon the temporary injunction prayed for by the roads. The judge has set June 11 to hear the arguments of the counsel for the roads and commission, when a motion will be made by the former to make the injunction permanent.

No matter what kind you have been using just try Blue Ribbon Lemon and Vanilla Extracts. Your money back if they fail to please.

"Z. W. ROBERTS, President.
"W. L. DELAY, Secretary."

WORKING WOMEN

Their Hard Struggle Made Easier—Interesting Statements by a Young Lady in Boston and One in Nashville, Tenn.

All women work; some in their homes, some in church, and some in the whirl of society. And in stores, mills and shops tens of thousands are on the never-ceasing treadmill, earning their daily bread.

All are subject to the same physical laws; all suffer alike from the same physical disturbance, and the nature of their duties, in many cases, quickly drifts them into the horrors of all kinds of female complaints, ovarian troubles, ulceration, falling and displacements of the womb, leucorrhoea, or perhaps irregularity, suppression of "monthly periods," causing backache, nervousness, irritability and lassitude.

Women who stand on their feet all day are more susceptible to these troubles than others.

They especially require an invigorating, sustaining medicine which will strengthen the female organism and enable them to bear easily the fatigues of the day, to sleep well at night, and to rise refreshed and cheerful.

How distressing to see a woman struggling to earn a livelihood or perform her household duties when her back and head are aching, she is so tired she can hardly drag about or stand up, and every movement causes pain, the origin of which is due to some derangement of the female organism.

Miss F. Orser of 14 Warrenton Street, Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

Boston, tells women how to avoid such suffering; she writes:

Dear Mrs. Pinkham:—
"I suffered misery for several years with irregular menstruation. My back ached; I had bearing down pains, and frequent heartaches; I could not sleep and could hardly drag around. I consulted two physicians without relief, and as a last resort, I tried Lydia E. Pinkham's Vegetable Compound, and to my surprise, every ache and pain left me. I gained ten pounds and am in perfect health."

Miss Pearl Ackers of 327 North Summer Street, Nashville, Tenn., writes:

Dear Mrs. Pinkham:—
"I suffered with painful periods, severe backache, bearing-down pains, pains across the abdomen; was very nervous and irritable, and my trouble grew worse every month. My physician failed to help me and I decided to try Lydia E. Pinkham's Vegetable Compound. I soon found it was doing me good. All my pains and aches disappeared, and I no longer fear my monthly periods."

Lydia E. Pinkham's Vegetable Compound is the unfailing cure for all these troubles. It strengthens the proper muscles, and displacement with all its horrors will no more crush you.

Backache, dizziness, fainting, bearing down pains, disordered stomach, moodiness, dislike of friends and society—all symptoms of the one cause—will be quickly dispelled, and it will make you strong and well.

You can tell the story of your sufferings to a woman, and receive helpful advice free of cost. Address Mrs. Pinkham, Lynn, Mass.

The Clutter Music House

113 S. Palafox St.

There were fifteen in the party, and every one thoroughly enjoyed every minute of the time. The party was composed mostly of men from the various battleships, and enjoyed a very elegant course supper which lasted until after twelve o'clock. The affair had been planned for several days past, and passed off very enjoyably.

Mr. Hooton in his usual happy style, kept the assembly in a good humor with his inexhaustible store of after-dinner stories.

The boys say they will long remember the occasion and will often think of Jack when they are at sea.

Those present were E. C. Smith, of the Missouri; E. E. Brown, Kearsarge; Samuel M. Bushman, Alabama; Chas. Lingerfetter, Olympia; J. W. Grady, Kearsarge; H. R. Deering, Massa-

chusetts; J. C. Wallace, Kearsarge; E. W. Eystensen, Iowa; John D. Keosauqua, Maine; and J. R. Reese, C. San-
